

Policy for Collective Worship

This policy pays due regard to statutory requirements, and has taken account of the guidance offered by the LA through its SACRE (Standing Advisory Council for Religious Education).

Definition of Collective Worship

Collective Worship is a time when the whole school, or groups within the school meet together in order to consider and reflect on common concerns, issues and interests. It offers all pupils an opportunity to worship through engaging in relevant, meaningful experiences and provides opportunities for the pupils' spiritual, moral, social and cultural development.

Aims of Collective Worship

For the School:

Collective Worship contributes significantly to the ethos of our school and it is our aim that it is a time when the school community can:

- share common aims and values
- celebrate achievement and special times
- explore together the world in which we live
- develop a community spirit

For the Pupils:

We also intend that Collective Worship contributes to the development of the pupil as a 'whole' person by providing opportunities to:

- worship which is considered worthy
- consider spiritual and moral issues
- explore their own beliefs
- develop their own spirituality
- reinforce positive attitudes
- participate and respond
- reflect on what it means to be human

The Contribution of Collective Worship to aspects of the Curriculum

Collective Worship time is distinct from curriculum time. However, in William Austin Junior School, Collective Worship will at times feature aspects of the curriculum, which will enhance the experiences of pupils by reflecting on the work done in classes. At times, Collective Worship will enrich classwork through its consideration of subject matter from different perspectives. The provision of opportunities for pupils' spiritual, moral, social and cultural development is in line with school policy which informs our practice. To ensure Collective Worship provides opportunities for spiritual, moral, social and cultural development it should address a wide variety of themes and topics, use diverse stimuli and resources and provide pupils with the opportunity to 'respond' on their own level. In our school pupils are encouraged to write and read out their own prayers in assemblies.

The Organisation of Collective Worship

Collective Worship will take place in the school hall (assemblies) and classrooms (e.g. 'Thought and or prayer for the day'). Assemblies will usually last for approximately 15 minutes, although it is recognised that this time will be shortened or lengthened when it is appropriate.

Leadership

A variety of staff members and occasional visitors will be involved in leading acts of worship at some point in the school year.

Planning Acts of Collective Worship

The content of all acts of Collective Worship will be considered carefully, to ensure relevance and suitability for the ages, aptitudes and backgrounds of all pupils. The weekly diary sheet published to all staff highlights special occasions and events throughout the year, but will be flexible to allow the inclusion of current and topical issues. This will ensure that there is continuity and progression, and enable the monitoring and evaluation of acts of worship to take place.

Visitors will be welcome to lead Collective Worship from time to time and will be given guidance on acts of Collective Worship at William Austin Junior School. Leaders from faiths within the area will increase the pupils' awareness, promote respect and raise the esteem of the pupils who belong to these faiths.

Our monthly school values, which include British values, may be reflected in themes of worship as we prepare our pupils for life in a diverse society.

The Act of Collective Worship

A variety of teaching and learning styles and active and interactive methods are appropriate in acts of Collective Worship. Any and all of the methods employed in the classroom can be used effectively in acts of Collective Worship. A variety of resources will also be used, including our school prayer see below. Leaders will choose the style/method and resources which are appropriate to the content, the age, aptitude and the background of the pupils. The content and process must be sufficiently stimulating in order to evoke a response in the individual. This may not be visual, but opportunity must be given to express this response through reflection and prayer.

School Prayer

We come together and softly say,
Thank you, God, for our school today,
Thank you, God, for another day,
Caring for us while we work and play.

If announcements are to be given at the same time as an act of worship then they will be of a positive nature, which at times may enhance the act of worship itself.

Withdrawal

Any parent who objects to their child attending an act or acts of Collective Worship may request that their child is withdrawn. Parents are encouraged to discuss this with the Headteacher. Any pupil who is withdrawn from an act or acts of Collective Worship will be supervised during that time by a member of the school staff.

This policy will be monitored and reviewed by the Headteacher on an annual basis.
