

William Austin Junior School

Policy on Social Media

Adopted from LBC Policy

Introduction

This policy provides the acceptable standards for the use of social-networking for all school employees at William Austin Junior School. Volunteers and casual workers should also be made aware of the standards and expectations set out in this policy.

- This policy should be read in conjunction with Keeping Children Safe in Education (September 2018-23) the Code of Conduct, the Internet, E-mail and Acceptable Use Policy and mobile phone policy guidelines.
- For the purposes of this policy, social media is any online platform or any application that allows parties to communicate instantly with each other or to share data in a public forum. This includes social media forums such as Twitter, Facebook, Instagram, Snapchat, TikTok, LinkedIn and Reddit. Social media also covers blogs, and video /image-sharing websites such as Youtube. It further covers gaming platforms (such as Minecraft, World of Warcraft etc), online discussion groups, dating sites, and gambling sites. It also covers other forms of electronic communication software/applications such as texting, SMS, WhatsApp, and Facebook Messenger.

Employees should be aware that there are many more examples of social media than can be listed here and it is a constantly changing area, therefore, the examples listed are not an exhaustive list. Employees should follow these guidelines in relation to any social media that they use.

- The school understands that many people may choose to use social media sites/applications in their private lives. This policy does not seek to prevent the use of social media sites/applications, but seeks to provide clear guidelines on the acceptable use of social media by employees.

Communications

- There are two different forms of communication: personal communications and professional communications.
- Personal communications are those made via a personal social media account. Personal communications that demonstrate a failure to follow professional standards or could damage the school/employer reputation are within the scope of this policy.
