Dear families

Welcome to this week's edition of Junior News Express and our first online edition!

We have had a busy end to the half term with lots of different activities for our pupils to experience. Y3 had a Quorn demonstration and tasting session. They were able to share ideas for healthy eating and some pupils got to take part in the actual preparation – mini chefs in the making!

Congratulations to the winners of the Luton Borough Council's Happy Shoesday competition, organised by Miss Palmer. Inaya (Picasso) Affan (Asia) Zaeemah (Venus) and Maryam (Mars) The first prize was a £40 Clark's shoe voucher, and goody bag. The other prizes consisted of a book token and goody bags. The winning designs were really effective.

All pupils have benefitted from learning how to live healthy lives with a workshop from A-Life. Pupils were able to visit a variety of information stations in the hall and learn about healthy eating, exercise and what they can do to keep fit.

Y6 took part in an African drumming workshop which they really enjoyed. Some of the pupils in Goodall class said the teacher looked a bit like Ed Sheeran!

Today we are saying goodbye to Mr Golby as he is moving to work in another school. We wish him luck for the future and thank him for all his hard work with our pupils and staff.

I would like to wish you all a happy and safe half term holiday. We have a Training Day on Monday 4th June, so the pupils should come back to school on Tuesday 5th June. Hopefully we can all enjoy some warm and sunny weather!

Attendance

The class with the highest attendance is:

Picasso
97.0%

Baker Cup

Quorn Foods Workshop

On Monday, Year 3 met people from Quorn. They taught us how to stay healthy by eating the right diet. When we came in, there was a supply of food to make meals for us to eat. After that, we all sat down and asked questions about the company. Later, they showed us all kinds of food from the Eat Well Guide Plate. When they started to make the meal, they were really generous. It was great fun. **By Seher (North America)**

Cool Website

The Kidz Page has more than 5,000 pages of learning games and activities. Online colouring pages, jigsaw puzzles and word games are just a few sections of this massive website. Find it at thekidzpage.com

A-Life Fitness Programme

The A-Life fitness Programme was really fun. There were trampolines, boxing activities and many more fun things. I enjoyed it so much and I think everyone else feels the same. It has taught us new ways to keep fit. **By Arkshera (Goodall).**

Dear Families,

FAMILY CENTRE NEWS

If your child has school dinners may we please remind you to top up your child's account £10.25 each week. Children should have the same dinner from Monday to Friday. The option to have Pizza on a Friday is a no longer available.

Southend on Sea trip:

William Austin Infant and Junior School are arranging a Southend-on-Sea trip on Saturday 14th July. The price is £9.00 per person. If you would like to book, then please attend the booking session in the Junior Family Centre on Thursday 7th June at 9:00am.

May Half term activities

If you have booked your child for the Movie or Baking Morning, the dates and times are as follows:

Wednesday 30th May morning — Movie Morning - Showing 'Coco' (PG)

Thursday 31st May morning — Baking for Children - Making pizzas and decorating cupcakes

Calling All Dads

Interested in cricket? We would love to have a Dad's Cricket Team. If you can volunteer or are interested, then please see a Family Worker or call 509121.

Free Cardiopulmonary Resuscitation (CPR) Training for 2 hours for all parents/adults

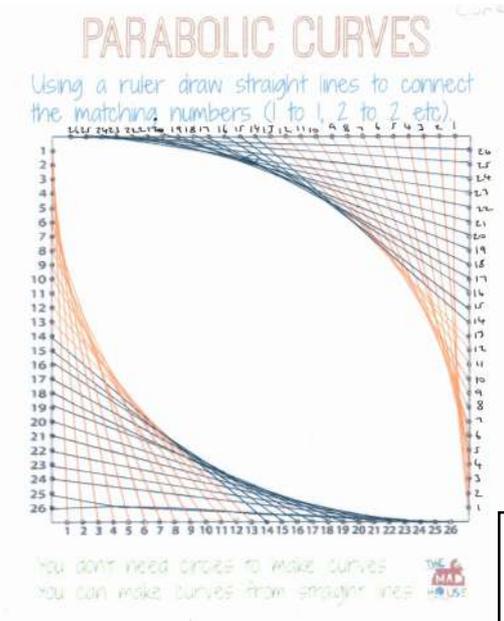

This is aimed at babies and young children. Interested? Then please see a Family Worker.

The Broadway, Southall Trip:

We are hoping to organise a trip to The Broadway, Southall in the last week of July. Excellent opportunity to do your Eid shopping. To register your interest, please see a Family Worker.

Further information please call 01582 509 121

Zakiyah (Curie)

Happy Shoe Day

At home I made a poster about the benefits of walking. My poster was in the shape of a shoe and was telling you why you should walk and not drive. The benefits of walking are that you can have more fresh air. It will also save the environment from air pollution. After I finished my poster, it was sent to the Council. In the competition, I came in 3rd place. **By Inaya (Picasso)**

African Drumming

On Wednesday 22nd of May 2018, Year 6 pupils had a chance to do some African Drumming. It was a great experience, as Year 6 pupils have just finished their SAT's. We were taught by a professional drummer named Bo. He taught us how to play the djembe and the dun-dun. We would love to get another drumming lesson from Bo. **By Samanta (Goodall)**

Book Fair

Top 5 Library Loan

- 1 - 78 Storey Tree House by Andy Griffiths
- 2 - Bad Day by David Walliams
- 3 - Brilliant World of Tom Gates by Liz Pichon
- 4 - Diary of a Wimpy Kid: Double Down by Jeff Kinney
- 5 - Dog Man: A Tale of Two Kitties by Dav Pilkey

Year 3

The children have had a busy week with visitors cooking with Quorn and A Life workshops. They now know the importance of drinking water and getting lots of sleep to stay healthy. After half term we are using a book called The Matchbox Diary to stimulate recounting memories. Please have a look on you tube. Children need to collect 5 special (tiny) objects to write about, this is their learning log homework. Best wishes Year 3. Mrs. Jukes.

Year 4

The children in year 4 have been working extremely hard with their writing. They have been using their imagination to write descriptive settings. In Maths, children have been learning about how to read the time, using analogue and digital times. This week, children were involved in the A-Life workshop and they thoroughly enjoyed it. Remember to complete all homework and continue with daily reading and times table practice over the half term break. Have a restful break and return safely, ready to learn for the last half term! Mrs Chowdhury and the Year 4 team.

Year 5

Year 5 are incredibly proud of the Solar System models the children have produced at home. So much effort and time was put in and we would like to thank all of you for your support with the project. They were magnificent! The children have continued to work extremely hard this half term and have produced some wonderful creative writing. Please do continue all your hard work with reading and Times Tables Rockstars at home. We wish you a restful break and look forward to seeing the children next half term. Mrs Hussain and the Year 5 Team.

Year 6

We are so proud of the Year 6 children and you should be too! They did so well in their SATs tests last week and we know they all tried their best. The children can now relax and enjoy other areas of the curriculum as we will have art, French and DT days to name just a few, as well as many other fun activities such as the drumming workshop. Thank you again for your continued support. Mrs Nye and the Year 6 team.

To develop Strategies for Building Suspense in Writing

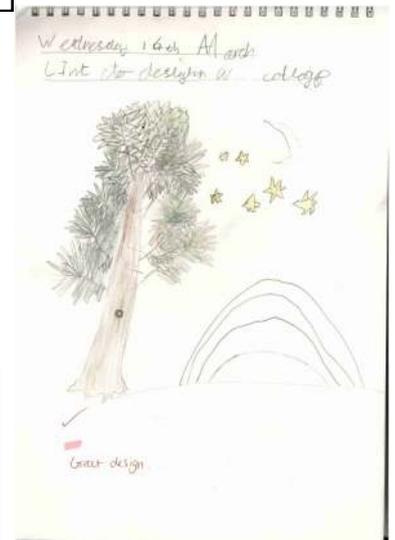

While Emily was looking for water, a dark figure stood there lurking around the misty swamp. Every nerve in her body warned her not to go closer. Worried, terrified and exhausted, she carried on walking, not knowing what would happen. Her water was so close to finishing, so she had to find water quickly in the swamp. A quiet sound made Emily tremble. "Who's there?" she whispered, full of fright. Something was there, watching her. She froze, her throat was dry, her tongue was thick and heavy, as she had no clue what this creature was. "I can't go further," she murmured with exhaustion. Another faint sound frightened Emily, the sound came closer and closer and got more louder and louder. Her legs felt like pieces of wood – heavy and stiff. She fell onto the floor and gave up. **By Alesha (Jupiter)**

Upcoming Events:

- 28.5.2018-Half term holiday
- 4.6.2018- Training Day
- 5.6.2018- Children return to school
- 7.6.2018-Pizza Express visit- Hepworth class
