Dear families

Welcome to this week's edition of Junior News Express and our last edition as a paper copy. The next one will be our first online edition!

We have decided in order to be more environmentally friendly we are going to publish this on our website. You will receive a parent mail text message to alert you to the fact that the newsletter has been uploaded. I hope you will enjoy reading about all the events that have occurred via our website.

It's been a busy week with Y5 visiting Harry Potter World as part of their English topic. They had a great time - read all about it later on.

Cricket has featured this week, with the Y5 and Y6 girls' tournament on Tuesday afternoon and a Y4 cricket festival which took place on our field today. Well done to all our pupils who have represented our school in sporting fixtures this week.

Next week is SATs week and we wish all our Y6 pupils the very best. They have worked really hard and have been well prepared by the Y6 staff. I know they will do their best and we will all be proud of them. Please make sure your Y6 child goes to bed early, so they are not tired and don't forget to give them a good breakfast to help them concentrate.

I would like to wish families Ramadan Mubarak as the holy month begins next week. I know that many children do like to join in with family members who are observing the fasts. I would encourage pupils to join in with the fasts at the weekends, or after school as for children it can be very difficult to concentrate on their school work during the day if they have not had anything to eat or drink.

Have a nice weekend.

Mrs Adams

Attendance

The class with the highest attendance is:

Picasso
96.9%

Cool Website

Time For Kids is a great website from the publishers of TIME magazine. It is fully loaded with interesting articles, photos and videos about a huge range of topics explained in a way which is easy to understand. Take some time to check out timeforkids.com

Upcoming Events:

- 14th May - SATS Week for Year 6 children
- 21st May - Quorn Food Demonstrations - Year 3
- 22nd May - Happy Shoe day
- 22nd May - A Life workshops - 3 days- All Years
- 23rd May - African Drumming - Year 6
- 28th May - Half term holiday
- 4th June - Training day
- 5th June - Children return to school

FAMILY CENTRE NEWS

Dear Families,

If your child has school dinners may we please remind you to top up your child's account £10.25 each week. Children should have the same dinner from Monday to Friday. The option to have Pizza on a Friday is a no longer available.

Summer Uniform

As the weather is getting warmer, please ensure that your child is wearing appropriate sized summer uniform, has a water bottle and has a hat to wear during breaks and lunchtime. Also please make sure that your child has sun cream.

May Half term activities

Wednesday 30th May morning — Movie Morning £3 - Showing 'Coco' (PG)

Thursday 31st May morning — Baking for Children £4 - Making pizzas and decorating cupcakes

Calling All Dads

Interested in cricket? We would love to have Dad's Cricket Team. If you can volunteer or are interested, then please see a Family Worker or call 509121.

Free Cardiopulmonary Resuscitation (CPR) Training for 2 hours for all parents/adults

This is aimed at babies and young children. Interested? Then please see a Family Worker.

The Broadway, Southall Trip:

We are hoping to organise a trip to The Broadway, Southall in the last week of July. Excellent opportunity to do your Eid shopping. To register your interest, please see a Family Worker.

Just a couple friendly reminders to all our parents:

- it is illegal and dangerous to park on the yellow zig zag lines outside school. Please do not park on the lines.
- thank you to all parents who manage to get their child to school on time. School opens at 8:40am and registration is at 8:50am. If you are struggling to get to school on time, we have a breakfast club available.

Further information please call 01582 509121

Zain (Picasso)

Some children in Venus have been working on some Cubism art

Fractions

A part of a whole. The top of a fraction is the numerator and the bottom is the denominator. The line between them is the fraction bar.

Fractions	Decimals	Percentages
$\frac{1}{1}$	1	100%
$\frac{1}{2}$	0.5	50%
$\frac{1}{3}$	0.333	33.3%
$\frac{1}{4}$	0.25	25%
$\frac{1}{5}$	0.20	20%
$\frac{1}{6}$	0.166	16.6%
$\frac{1}{7}$	0.142	14.2%
$\frac{1}{8}$	0.125	12.5%
$\frac{1}{10}$	0.1	10%

Example: $\frac{1}{2} = \frac{2}{4} = \frac{4}{8}$

Maryam (Newton)

Year 5 - Harry Potter trip

The Forbidden Forest was the most exciting part of the trip as the spiders loomed over us and thunder struck around us. The Weasley's hut was quite magical. The whole trip was amazing! *Sophia (Mars)*

The most exciting part was the Forbidden Forest because the spiders and lightning were eyeshocking! Also, the cinema was amazing because as soon as the documentary ended the screen rolled up and there was the Hogwarts castle! Everyone started to rush to the door. When the doors opened I heard a loud "Woah". There was a long row of seats and food. At the end of the castle was the potions and you could see the dummies dressed in the costumes. It was a very interesting experience. *Haaris (Saturn)*

Year 3 History Walk

On Tuesday afternoon, we went on a local history walk. First we went to Culverhouse Road and we compared the shop from now and then. The shop was built there for the local people to buy their groceries. We also saw Limbury Baptist Church that is still a church. Surprisingly, we went to an old moat house that had a moat and we saw a beautiful fish swimming in it. Now the moat house is a restaurant but a long time ago it was a Norman Manor house. *Etizaz (South America)*

Year 3

This term the children in year 3 have been studying local history. We have examined old photographs of Luton and compared them with modern examples and toured our school noting how it has changed over time. Then this week, we have enjoyed a wonderful walk in the sun looking at nearby buildings and comparing them with black and white photographs from the past. Soon we will be studying a story about special objects and the stories behind them. Please share stories with your children about special objects such as: an old photograph, a treasured sea shell or other small item. *Many thanks Year 3 Team*

Year 4

Children in Year 4 have been producing some lovely Iron Man artwork and newspaper reports relating to this. In science, the digestive system topic has created some interesting conversations and the children have particularly enjoyed investigating digestion using crackers and mirrors! Note to parents regarding reading at home, please listen and discuss your child's reading book on a daily basis. Unfortunately without this support, your child is unlikely to make the progress in reading your child requires. Many thanks. *Mrs Chowdhury and the Year 4 team*

Year 5

Year 5 have been working extremely hard so far this term and on Wednesday we went on a trip to Harry Potter Studios in Watford. The children (and adults) thoroughly enjoyed themselves and have so much to talk about! Please do ask your child to share their experiences and have a look through their 'passports' and stamps they have collected. Each child has also received a complimentary digital photo - please login and follow the guidance to download their picture. *Mrs Hussain and the Year 5 Team*

Year 6

The time has come for the children to undertake their SATs tests! They have worked extremely hard this year and all deserve to do well. This weekend they need to have plenty of sleep and relaxation time so that on Monday they will be refreshed and ready. All the Year 6 teachers and teaching assistants wish the children the best of luck. *Mrs Nye and the Year 6 team*
