Keeping Up with the Children Maths

At The Family Centre, William Austin Junior School, Austin Road, Luton LU3 1AU

- Do you find it hard to support your child with their maths homework?
- Does your child use different methods to the methods you learnt at school?
- Do you need to upskill your own maths?

Keeping up with the Children Maths is a **free** course of up to 10 weeks for parents and carers with children in keystage 2. You will learn about current methods, how to support your child with maths at home and refresh and develop your own maths skills.

Come to a taster sessions on **Monday 29th April at 1.30pm** to find out more.

Course starts on: **Monday 13th May 2019**

Time: **1—3pm**
