6. To use the shoulder pass.	6.To use the shoulder and chest pass effectively.	6.To use the overhead pass.	6.To use the shoulder, chest and overhead pass in opposed situations.	
7. To use the chest pass.	7.To use an accurate bounce pass.	7.To use a range of short passes.	To catch a variety of passes accurately and 7.efficiently.	
Autumn 2	<u>Netball</u>	<u>Netball</u>	<u>Netball</u>	<u>Netball</u>
	1. To begin to understand the importance of footwork in netball	1.To pivot with increasing accuracy.	1.To use the pivot efficiently and accurately	1.To develop the 'running' pass.
	2. To apply the basic rules of netball to small sided games, to use basic footwork patterns.	2.To apply the basic rules of netball to small sided games to be able to pivot within games.	2.To apply the basic rules of netball to small sided games, to use the pivot efficiently and accurately within games.	2.To apply the basic rules of netball to small sided games, to develop the 'running' pass. To offer suggestions on how to improve their own performance and others.
	3. To apply the basic rules of netball to small sided games, to use basic footwork patterns within small sided games.	3.To apply the basic rules of netball to small sided games, to use increasingly accurate footwork within small sided games.	3.To apply the basic rules of netball to small sided games, to use accurate footwork, efficient passes and effective attacking play.	3.To apply the basic rules of netball to small sided games, to select and apply appropriate passes, attacking play, footwork within games, to offer suggestions on how to improve.
<u>Football</u>	<u>Football</u>	<u>Football</u>	<u>Football</u>	
4. To understand the basic laws of football, to become familiar with the football, to	4.To understand the basic laws of football, to dribble with both left and right feet.	4.To have an increased awareness of the laws of the game, to be able to run with the	4.To have an increased awareness of the laws of the game, to be able to run with	

	become more efficient at dribbling		ball.	the ball using both left and right feet.
	5. To be able to perform the push pass.	5. To pass using the outside of the foot.	5.To dribble effectively in confined areas with opposition.	5.To effectively dribble within small sided games.
	6. To develop spatial awareness on a football pitch.	6.To use the volley to shoot and pass.	6.To produce all types of shot with an increasing accuracy.	6.To apply shooting techniques to small sided games.
	7. To begin to be able to run and shoot with the ball.	7.To produce the inside and outside hook turns.	7.To produce the Cruyff turn and drag back, to improve combination, play in small games.	7.To produce effective turns when under pressure, to increase the effectiveness of combination play opposed situations.
	<u>Football</u>	<u>Football</u>	<u>Football</u>	<u>Football</u>
	1.To use effective dribbling in small sided games.	1.To select and apply appropriate passes and shots within small sided games.	1.To use effective combination plays within small sided games	1.To understand when and where to dribble within small sided games.
	<u>Hockey</u>	<u>Hockey</u>	<u>Hockey</u>	<u>Hockey</u>
	2.To dribble with greater confidence	2.To dribble at speed	2.To perform push passes whilst opposed.	2.To perform the Indian dribble successfully
	3.To develop the ability to keep the ball close to the stick.	3.To use the flick pass.	3.To perform successful 'traps' whilst opposed.	3.To perform the slap hit
	4.To dribble with increased speed and control.	4.To turn quickly and effectively	4.To run with the ball and shoot	4.To produce an effective Jab tackle
	5.To perform a push pass.	5.To trap the ball	5.To work as team to produce successful attacking play	5.To keep possession of the ball in unopposed situations
	6.To pass with increased accuracy	6.To shoot with accuracy	6.To successfully keep possession of the ball in small sided games	6. To keep possession of the ball in opposed situations
	7.To be able to dribble and pass within small sided games	7.To be able to turn and shoot within small sided games	7.To be able to run and shoot effectively within small sided games	7. To apply dribbling, passing, and tackling skills to small sided games.
	<u>Basketball</u>	<u>Basketball</u>	<u>Basketball</u>	<u>Basketball</u>
	1.Assessment lesson – new sport so this is an opportunity to see the ability of the class.	1.Assessment lesson	1.Assessment lesson	1.Assessment lesson
	2.To control the ball when dribbling using shoulder and wrist movements.	2.To dribble with both the left and right hand effectively.	2.To dribble and change direction quickly within opposed situations.	2.To explore a variety of passing skills and to demonstrate the correct technique in sending and receiving a basketball.
	3.To use the bounce pass, shoulder pass and chest pass with an increased accuracy.	3.To explore a variety of passing and dribbling skills	3.To play a variety of passes in opposed situations.	3.To select and apply the appropriate passes within small sided games.
	4.To shield the ball from opposing players.	4.To 'steal' the ball from opposing players.	4.To use effective attacking techniques in small sided games.	4.To use effective attacking and defensive techniques in opposed situations.
	5.To keep possession of the ball in unopposed situations	5.To develop defending techniques in isolation	5.To use a range of strategies to keep possession of the ball in small sided games	5.To perform a lay-up.
	6. To keep possession of the ball in small sided games	6.To use an effective shooting technique.	6.To use an effective shooting technique in opposed situations.	6.To use a range of attacking plays, including the layup, in small sided games
Spring 1				
Spring 2				

	7. To use basic attacking principles in small sided games	7.To use effective shooting techniques within small sided games	7.To use a variety of passes in small sided games	7. Understand and apply a range of tactics and strategies for defence and attack To choose, combine and perform skills more fluently and effectively in games
Summer 1	Rounders	Rounders	Rounders	Rounders
	1.To perform accurate catches.	1.To throw using an accurate overarm technique.	1.To be able to strike a moving ball.	1.To perform accurate overarm throws from deep fielding positions.
	2. To strike the ball from a stationary position.	2.To use a straight bat when striking the ball.	2.To be able to strike a moving ball.	2.To strike a moving ball with accuracy – to spaces in the field.
	3. To strike a moving ball.	3.To use the long and short barrier fielding techniques.	3.To know the rules and responsibilities of base fielders.	3.To understand game play and rules. Throwing rounders.
	4.To strike a moving ball into space and know when and where to run	4.To understand the rules of rounders during game play.	4.To know the rules and responsibilities of deep fielders.	4.To apply an understanding of game play and rules. Kick rounders.
	5. To deliver an accurate rounders bowl.	5.To further develop fielding and batting skills.	5. To understand game play and rules. Throwing rounders.	5.To apply an understanding of game play in restricted small sided games
	6. To understand fielding positions and to know when and where to run.	6.To use accurate throwing techniques in small sided games	6. To select and apply fielding, batting and bowling skills to small sided games.	6. To apply an understanding of game play and rules. Rounders
	7. Small sided games and assessment	7. Small sided games and assessment	7. Small sided games and assessment	7. Small sided games and assessment
Summer 2	Cricket	Cricket	Cricket	Cricket
	1.To catch effectively. Close catching skills.	1.To produce an effective long barrier.	1.To perform a straight drive	1.To select an appropriate throw when fielding.
	2.To perform an effective overarm throw.	2.To produce an increasingly accurate overarm bowl.	2.To perform a pull shot	2.To produce an accurate overarm bowl.
	3.To produce an effective 'pick up' and throw.	3.To be able to strike a stationary ball.	3.To be able to perform a cover drive	3.To produce a forward defensive, to produce a back- foot drive
	4.To be able to perform an accurate under arm bowl.	4.To be able to strike a moving ball.	4.To be able to perform square cut	4.To produce a pull shot, to produce a square cut
	5.To be able to hit a stationary ball.	5.To be able to apply fielding, bowling and batting skills to small sided games.	5.To be able to apply the batting skills to small games	5.To be able to apply bowling and batting skills to small games
	6.To develop fielding and batting skills in small sided games.	6.To demonstrate more control and accuracy when striking a moving ball in small sided games	6.To demonstrate increasing accuracy when striking a moving ball within small sided games	6.To demonstrate the ability to play a range of shots when striking a moving ball within small sided games
	7.Small sided games and assessment	7.Small sided games and assessment	7.Small sided games and assessment	7.Small sided games and assessment
