16th July 2020

Good morning

Home Learning

I hope you and your families are well – it has been lovely to see some of you in school for our transition afternoons this week.

I am contacting you to inform you that the Google Classes used for home learning will be archived from the end of the day, Friday 17th July. Children will no longer be able to log in to access the class stream or complete the work online. This is so teachers can prepare their new classes ready for the start of the academic year in September. Children will receive guidance when they return to school in September on how to join their new class.

I would like to take this opportunity to thank you all for supporting your child complete home learning on Google Classroom. It has been wonderful to see children working hard right up until the end of the year. The circumstances have been testing, but everyone has risen to the challenge in true William Austin fashion.

I hope you all enjoy a well-earned summer break and look forward to working in partnership with you in September.

Kind regards

Mr McMulkin
Assistant Headteacher
