	% achieved expected or above		
	Reading	Writing	Maths
Y3 all pupils	77%	73%	75%
Y3 PP	88%	82%	82%
Y4 all pupils	85%	84%	84%
Y4 PP	87%	84%	82%
Y5 all pupils	81%	82%	83%
Y5 PP	88%	84%	82%
	SATs data		
Y6 all pupils	56%	83%	61%
Y6 PP	51%	81%	55%

Barriers to future attainment for PP pupils:

- Middle and high ability pupils who are eligible for PP funding are making significantly below average progress in Reading
- Middle ability pupils who are eligible for PP funding are making significantly below average progress in Maths
- Lack of self-confidence and self esteem

Planned expenditure to address barriers for 2016/17

- An allocated HLTA to boost progress of targeted pupils for maths and writing to provide support in class and run interventions so pupils make progress
- 1:1 tutoring for maths for targeted pupils so they make progress
- Additional teachers to reduce sizes of sets in English and Maths to allow teachers to support pupils individually more frequently in lesson times
- Specialist Maths software scheme (My Maths) to improve teachers subject knowledge and provide additional online homework tasks to support schemes of work
- Extra reading at break times with teaching assistants to ensure targeted pupils are heard to read regularly throughout the week
- TAs support targeted pupils in lessons
- Conferencing sessions run by class teachers for reading, writing and maths
- Interventions by a maths specialist to ensure targeted pupils make progress
- Talk for Writing – whole school training programme to improve the teaching and learning of English
- Speaking and listening club for targeted pupils to raise their confidence and self esteem
- Breakfast and Homework clubs to give targeted pupils a healthy start to the school day
- Financial assistance for visits and residential trips to support families
- Financial assistance with uniform to support families
- Enrichment provision including trips, residentials, workshops, theatre groups to give the pupils a broad curriculum and a rich understanding of the world
- Support with payment for music tuition to support families
- Daily milk for all pupils to give pupils a healthy start to the school day
- Family Worker support for families including events, workshops and trips

The impact of all the above will be reviewed termly and adapted as necessary.
