Dear families

Welcome to this edition of our Newsletter.

I was really impressed with the holiday homework projects - I have seen many Stone Age artefacts in Y3, different musical instruments in Y4, and Greek artefacts in Y5. It looks like you all put lots of effort and thought into your project - well done.

Last week Y6 were busy trying different types of bread for the start of their DT topic. They will be researching the history of bread, what bread is like in different countries and going on to design and make their own bread.

On Wednesday a group of Y4 pupils took part in a Multi-sports event at the Inspire Sports Centre. It's great to be able to take part in these competitions again.

Well done to Baker class who won our half term attendance trophy, certificates and non-uniform day with a winning total of 97.3%.

We are looking forward to Children In Need which takes place on Friday 19th November. The JLT are working hard to organise a cake/biscuit sale for year groups and the PE staff have sporting challenges for the children to take part in. As always, we hope we can raise money for this great cause.

I hope all our families who celebrate Diwali had a lovely time with family and friends last Thursday.

Have a good weekend.

Mrs Adams

Baker Cup Winner Baker

Cool Website

Visit [Highlights for Kids](#): a website where you can play games, watch stories and try out fun science and art activities. There are quote and quizzes, opinion polls and recipes to try out. You are sure to find a fun activity to try.

Author of the Month - David Walliams

- His books have now been translated into 40+ languages
- David Walliams is a comedian, writer and actor and is best known for being a star judge on Britain's Got Talent.

Attendance

The class with the highest attendance is:

Hepworth - 95.9%

Upcoming Events:

19th November -Children in Need--Please send in biscuits and cakes for our bake sale.

FAMILY CENTRE NEWS

Dear Families,

Welcome back to all our families, we hope you had a happy and healthy half term. We have lots going on at the family centre and look forward to new parents joining us just give us a call to find out more information.

Breakfast club has places for new children. If you find yourself needing to get your child early to school due to an appointment then please give us a call either the day before or on the morning and we will be happy to support you, £3 per session.

School Uniform

Many children seem to have either lost or are not wearing ties to school. It is compulsory for ties to be worn until Summer term and can be purchased from the school office for £3.50

Should you need any additional items of uniform then please visit **JS Sports**, they provide an excellent service, always very helpful and are the local stockist. You can call them on:-

01582 494401 or email sales@myuniformshop.co.uk or visit 22 Neville Rd, Luton

Join us to watch Cinderella at Luton Library Theatre On Saturday 8th January 2021 £13 per ticket or Family Ticket £44 (1 adult 3 children or 2 adults 2 children) Call us to book your place as numbers are limited.

STAY SAFE, WASH HANDS and KEEP YOUR DISTANCE

Should you or your family need advice, guidance or support please pop in to see us, call 01582 509121 or email Familyworker@williamaustin.juniorluton.co.uk

Liaba (Linnaeus)

Zainab (North America)

Amaan—Mars

Tayibah (Hokusai)

Brownies is for girls aged 7-10 and opens up a world of exciting challenges and the opportunities to try new things and to make brilliant friends. Through regular meetings, special events, day trips and holidays girls learn new hobbies, explore other cultures and get adventurous outdoors. For further information, speak to Mrs Oliver in the Library

Music - Mrs Slater

In music this year we have many activities planned for the children to enjoy! This term Year 5 have been very creative writing their own raps all about Ancient Greece. In Year 3 the children are beginning to learn and play samba music. Year 4 have been transported to America where they have been playing and writing their own jazz music. Year 6 have been learning about music in the 1920s through to the 1940s to support their history lessons on World War 2. Choir has gotten off to great start with many of the children in school attending and enjoying rehearsals. In January choir are going to perform at the O2 arena as part of the Young Voices concert which is going to be a fantastic experience! At William Austin Juniors, we are also proud to offer the children with the opportunity of learning the guitar. Guitar lessons are on a Thursday during school time and taught by a professional musician. If your child is interested in learning the guitar please come and speak to Mrs Slater who will pass on your contact details to Luton Music Service.

Value of the Month - Tolerance

Year 3

This week we have been investigating different types of soil such as clay soil. We kickstarted our Geography lessons learning about the continents of the world. We have also had the pleasure of listening to Mrs Douglas talk about her family's experience of the Windrush generation. Mrs Slater and the Year 3 Team.

Year 4

The children in year 4 have come back with amazing musical instruments they have made. Thank you for your support with the half term project. Children have settled back into school and are very keen to learn. In English this week, we are looking at suspense stories and children have been learning the text. In maths, we are learning different units of measure. This term, in science we will be learning about sounds as well as exploring Catalonia in geography. Please continue to encourage your child to learn their times tables as well as listening to them read daily. Mrs Chowdhury and the Year 4 Team

Year 5

Year 5 have made a productive start to the half term and have produced some brilliant Greek models - thank you for all your hard work too! This half term we will be delving into non-chronological reports and in particular writing about some fantastic beasts. In Maths, we have moved onto multiplication and division and the children are beginning to realise how important their times tables facts are... please continue to encourage them to play Times Tables Rocks Stars and watch out for battles against other schools. We'd like to say a massive thank you to those families who took part in our Year 5 Bake Off - your bakes were amazing - it's a shame we couldn't taste any! Mrs Hussain and the Year 5 Team.

Year 6

Year 6 have enjoyed an exciting start to the half term. They had lots of fun looking for clues in autobiographies written by members of William Austin staff to work out which adult had written each. Children have been working hard to represent, convert and simplify fractions and are going to be using all four operations to calculate with! In science, we've been learning about static electricity and experimenting with different components in our series circuits. Thank you for supporting children with their new maths homework and your continued support in developing their reading at home. Mr Gilligan and the Year 6 team

School Crossing Patrols

We need School Crossing Patrol Officers

Anyone can be an SCP. We'll provide training, clothing and support.

SCPs work term time only
