Jemison	Hamzah	Sumayah
Linnaeus	Rehaan	Nafisa

Dear families

Welcome to this edition of our Newsletter. It's been another busy week in school. Some of our children went to the Luton Cross Country event at Stockwood park on Tuesday. I am pleased to say two of our boys came third in their races! Well done to Joshua and Moazzin.

It was lovely to see so many parents at our parents' evening on Tuesday. The teachers were really pleased to be able to share with you the work your child has been doing in school. Thank you to everyone who took part in our parents' survey - it's really helpful to have your feedback. I will share the results with you when we have analysed them. For some parents it was their first time visiting the classrooms as we haven't been able to hold a face to face parents evening since the start of the pandemic.

Thank you to the Y6 parents who came to our SATs presentation - it was great to see you all and for you to be able to speak to the Y6 staff about what to expect. The Y6 staff are busy preparing the children for these important tests and we know your child will do their very best.

We had fun celebrating Red Nose Day today with staff and pupils dressing up in either red or a superhero costume. There was a Frisbee throwing competition, guess the sweets in the jar, an Easter Egg raffle and each class held a bake sale. We hope we can make a difference to this charity. Thank you for your support.

Next week, Y6 classes are visiting Whipsnade as part of their science topic where they have been studying evolution and classification. I know they will be able to develop the knowledge they have from their work in school to the animals they see at the zoo.

Enjoy the weekend and the spring sunshine.

Take care,

Mrs Adams

Please make sure you keep your dinner money account topped up.
The price is £11.50 per week.

Attendance

The classes with the highest attendance are:

Goodall & Hepworth 95.5%

Upcoming Events:

- 23rd March - Whipsnade Zoo visit - Goodall, Hawking & Linnaeus
- 24th March - Whipsnade Zoo visit - Curie & Jemison
- 30th March - Cookie Sale - Year 5 - Under the Canopy

Cool Website

[FunBrain](https://www.funbrain.com/) is an amazing website that is full of interactive games, videos and stories for everyone to enjoy, including many that will help you develop your maths and reading skills. The colourful and user-friendly site is sure to have something you will love, so be sure to check it out.

Author of the Month - Anthony Horowitz

1. Skeleton Key
2. Point Blanc
3. The Blurred Man
4. Snakehead

FAMILY CENTRE NEWS

Dear Families,

Thank you to all our families for your ongoing support in the Family Centre. It is lovely to see many of our mums accessing courses. Keep looking at our window for new courses and text messages.

Breakfast - Breakfast eaters tend to perform better in school. Breakfast eaters have better test scores, improved memory, focus, and are less likely to be absent.

Please as parents can you ensure your children have breakfast before leaving to come to school. We have had a number of children over the last couple of weeks coming to the medical room feeling unwell due to being hungry. Can you also ensure your children have a healthy snack for break time, a piece of fruit would be good.

Sewing for Parents Places are available for Wednesday 9:30am—11:30am

Play and Stay Join us at the Family Centre Tuesday morning 9:00am—11:00am

STAY SAFE, WASH HANDS and KEEP YOUR DISTANCE

Should you or your family need advice, guidance or support please pop in to see us, call 01582 509121 or email Familyworker@williamaustin.juniorluton.co.uk

Take a look at this week's **Wow Work!**

WAJ Sport News

Football team

The year 6 Girls' football team reached the semi-final of the town wide competition. Some fantastic performances from our footballers en- route to facing the eventual winners. Well done to: Gurjot, Ayana & Hiba (Curie), Aroush (Hawking), Amaya (Jupiter), Laiba (Goodall) and Jumayna (Jemison).

Basketball

A team of five basketballers travelled the short distance to Luton Sixth form. Five matches were played. Our brilliant team won three, drew one and lost one! Well done to Musab, Arfeen, Yahya and Zaina (Goodall) and Ayana (Curie).

Badminton

After winning five group games the badminton team were eventually beaten in the semi- final by arch rivals, Hillborough Junior. Congratulations to: Joshua, Ayaan, Gurjot & Ayana (Curie), Moazzin, Yahya, Yusra, & Muskan (Goodall).

Cross Country Relays

Twelve children travelled to Stockwood Park to run in the annual event. The children were split into three teams of four with each student running 1200metres around the perimeter of the football pitches. A special mention to Moazzin and Joshua, both finishing third in their section of the race. Well done to: Musab, Moazzin & Zakariya (Goodall), Sami, Ihsan, Ayaan, Gurjot, & Joshua (Curie), Adyan, Aroush & Aminah (Hawking) and Janat (Jemison).

This Girl Can Festival

Two festivals celebrating females in sport have recently taken place. Our school has some talented girls. On both days the girls' participated in: boxing, football, dance and basketball. As always, the girls' displayed great sportsmanship and fantastic determination. Well done to: Nazihah, Ayesha, Mahiba (Curie), Janat & Khadijah (Jemison), Mahnoor (Hawking) Aaizah & Zahra (Hepworth), Sana & Amirah (Van Gogh), Amaya & Aminah (Baker) and Siana & Haram (Hokusai).

If you do not already attend a sports club - give one a try !

Red Nose Day

Today we celebrated Red Nose Day and raised money in aid of Comic Relief. Staff and pupils had the opportunity to dress up as a superhero or wear red. Children had fun and took part in many activities! *Annayah (Curie)*

Geography - Mrs Bano

In geography at William Austin children are given the opportunity to understand and learn about different continents and cultures. In year 3, children are learning about Italy, in year 4, children are studying about the journey of chocolate and what fair trade is. In year 5 children are learning about Alaska including its landscape. Finally, in year 6 children are being taught all about different settlements.

Year 3

It has been a very exciting week in Year 3. During the night on Monday, a storm unicorn managed to find its way into Year 3. When the children arrived at school on Tuesday they discovered that it had made a bit of a mess of their classrooms, knocking things over and leaving glittery hoof prints everywhere. In English, the children are now finding out about what storm unicorns are, where they live and what they eat, so that they can write their own non-chronological reports about animals. In Maths, we have moved onto fractions and the children are doing well, learning how to identify the whole and make equal parts. Our Science work on magnets has continued with the children making their own compasses and learning about how the Earth's magnetic field makes a compass work. It was lovely to see so many parents at parent's evening and we thank you for your continued support with reading and learning times tables. *Miss Thingsaker & the Year 3 team*

Year 4

Children in Year 4 have enjoyed finishing writing up their class journey stories and now extremely excited to write up their own. In maths, children are now able to calculate fractions of amounts and find a quantity. We are excited to be moving on to learning about decimals. We have continued to learn about teeth in our science lessons and children have enjoyed an investigation about the erosion of teeth with different liquids. In our DT lessons, we are excited to make our own 3D lampshades. Thank you for your continued support. *Mr Patel and Year 4*

Year 5

Year 5 have been working hard this week and have thoroughly enjoyed their Science workshops! Please do ask the children about their experiences. In English, we have begun our new unit of work - persuasive writing, we will be trying some of our persuasive techniques on you later so look out for those. We're also looking forward to baking and selling our cookies as part of our DT learning - no doubt, you won't need persuading! We're continuing our work on fractions and will be multiplying soon. Thank you for your continued support. *Mrs Hussain and the Year 5 Team.*

Year 6

Children in Year 6 were very surprised to hear that the prefects and senior prefects would be entrusted with the running of William Austin pending Mrs Adams' sizeable Lottery win. Children debated the pros and cons of this in their classes and are looking forward to crafting some fantastic discussion writing. In maths, children are now able to calculate the area of triangles and the volume of cuboids! We are excited to be moving on to learning about ratio. We have continued to classify in science and are observing, over time, the effect of microorganisms on bread. Our embroideries are well under way and children are enjoying showing off the range of stitches they have learnt. Thank you for your continued support. *Mr Gilligan and the Year 6 team*

PROVIDING FUN FILLED HOLIDAY ACTIVITIES FOR CHILDREN AGES 4 - 12

BOOK NOW
www.kidzzoneclub.com

Easter Multi-Activity Holiday Club

Mon 4th - Thurs 14th April 2022
