Dear families

It has been a busy start to the term. We were able to meet with some of the new Y3 parents at our Y3 coffee mornings - it was lovely to talk to you about our school and answer questions.

We held our school fete this week - re-arranged due to the extreme heat in July. It was a really lovely afternoon with each class running their own stall. We made £2,057.30 which will go towards paying for events for the children such as theatre groups. It was great to see so many parents supporting the school - thank you. Thank you also to all the staff who organised the stalls and supported the pupils during the afternoon.

Following on from some whole staff training by the school nursing service on asthma, we are asking parents to provide us with a care plan if your child has asthma - this is so we can ensure we are managing it correctly in school. It is really important that we have this in school, along with the spacer. If your child does have asthma they should be taking their brown inhaler morning and night every day and using their blue inhaler in school if they need to. Our medical room staff will be calling parents to ask for care plans and spacers. <https://www.asthma.org.uk/> is a great website for information all about the care of asthma.

It was lovely to award badges to various pupils in leadership roles this week. The JLT (Junior Leadership Team) received their badges in assembly and I know they will run our school council really well. They were nominated by their classes.

Y6 prefects also received their badges and will be beginning their duties supporting around the school.

Behaviour Ambassadors were also given their badges and will start supporting on the playgrounds. Congratulations to all pupils who have been chosen, either by their fellow pupils or staff.

Enjoy your weekend.

#### Attendance

The class with the highest attendance is::

**Hawking 97.6%**

#### Cool Website

Plants have such an important role in the world around us. Find out more about them, by solving the cases in [The Great Plant Escape!](#) This award-winning website is great fun, and you will use a range of skills, from science to maths and even art to solve the mysteries and crack the case.

**Please make sure you keep your dinner money account topped up.**

**The price is £12 per week.**

*Upcoming Events:*

#### Author of the Month - Roald Dahl

Check out some of his books in the library:

1. The Magic Finger
2. The Twits
3. Matilda
4. Going solo

28.9.2022- Harvest assemblies

29.9.2022- Celtic Harmony visit-Europe, Africa and Asia classes

30.9.2022 -Celtic Harmony visit-South America and North America classes

5.10.2022- Hat Factory Trip- Group of children from Year 3

#### FAMILY CENTRE NEWS

Dear Families,

We hope all your children have now settled into their new school and new classes. They all look very smart in their winter uniform, **WELL** done parents. Just a couple of things to remind our families of:-

#### Breakfast Club

Family lives are busy and at times children may get up late and skip the most important meal of their day. If you feel this could be your child then please consider breakfast club. Its on every morning at 8:00am. There is no need to pre-book as we have spaces just give us a call should you wish your child to attend and for more information.

#### Pre-Loved Uniform

We have a selection of uniform please come and speak to us if you need support with this.

#### Play and Stay

Every Tuesday morning in the Family Centre, join us with your child to have fun and to meet other mums.

#### Lates

Can we please remind parents that school doors open at 8:40am and registration is at 8:48am. Please ensure that your child is on time to school so that they are ready for learning. If your child is late and a parent is not seen in the Office, one of the Family Workers will be contacting you. We will also be contacting you if your child is frequently late. This is now a requirement from Department of Education in relation to safeguarding.

#### High School Applications

If any Y6 parents require any support with completing their application to High School please contact us. Deadline for application forms to be completed is **31st October for all online applications.**

**STAY SAFE, WASH HANDS and KEEP YOUR DISTANCE**  
Please call 01582 509121 for support, advice or information

Take a look at this week's

# Wow Work!

Ed Tut Tuesday, 20th September 2022  
 In retail event  
 Dear Ayesha  
 I had the most amazing time at Blacklion - former Inn on the day we purchased our things and left it was so fun. We traveled through differences a couple of cities, towns and cities we generally got those we were afraid and happy. When we do war good and look a little in the hot, rainy, tub. We decided to sleep the next day we woke up at 7am and went shopping for the day. When we drove to pleasure beach. At first it was glorious and nice but later when my cousin and brother came and went we went to the beach. It was amazing my dad and my cousin had booked the tickets we were so excited. We all went to the garage school at first I was scared that it turned out so good then we went on the bottom side my family and had decided to buy but our mum decided to drive and we had no time later we went swimming and played in the sand it was so fun.

Fatima (Jupiter)

## Oliver Twist—Theatre production

Last Friday we went to the hall to watch Oliver Twist and it was so much fun! Oliver's mum was poor and gave him to an orphanage as a baby but she sadly died later. Oliver grew up and made friends along the way which was nice. One of our favourite parts was when Oliver finally found his grandad on London Bridge but unfortunately Nancy had sacrificed herself for Oliver. It had a lovely happy ending though as the granddad took Oliver home. We thought it was great!

Ilham, Zainab and Ruqiya- Europe class

## English - Mrs Grey

It has been an exciting start to the new term. Pupils have already had the opportunity to watch the production 'Oliver Twist' brought to us by M & M productions. Classes loved the music, dancing as well as the costumes. Many pupils heard this wonderful classic story for the first time.

Accelerated Reader- Children have started reading their new books this term and we thank parents for signing Reading Records and for hearing your children read on a daily basis. Well done to Jemison class, who have already read a total of 1 million words. We will, in future, be awarding new 'Word Millionaire badges' to individual pupils who gain 1 million words.

### Year 3

It has been a very busy week in Year 3. The children continue to get to grips with life at junior school and have done really well learning all the new routines. In Maths we have continued to look at the place value of 3-digit numbers and the children have really impressed us with their knowledge. In English we have started our first story writing unit about a journey to a strange place. The children are really enjoying acting out the story and have some great ideas for where they will go in their own stories. Thank you for your continued support with homework. Please could we remind you that your child needs to read daily at home and have their Reading Record signed by an adult.

Miss Thingsaker & the Year 3 team

### Year 4

Year 4 children have been settling in very well and we have just started our new English unit, which is diary writing. The book we are reading is called 'Gregory Cool' which is set in the Caribbean. The children have enjoyed some Caribbean fruit tasting and experienced other elements of the culture. We are continuing our science topic of solids, liquids and gases where we will now be conducting an experiment about melting points of different solids. We have also begun Times Tables Rockstars battles where Year 4 are continuing to challenge and gain many points for their classes. Please continue to support children in learning their times tables as it is a very important year for them. Thank you.

Mr Patel and the Year 4 team

### Year 5

Year 5 have continued to work extremely hard in our place value block for Maths. In English we've begun to explore Greek myths and legends and will be writing our own very adventures soon. In science we're taking a greater look into life cycles and will observe how our own caterpillars grow over the coming week! Thank you for your support in encouraging the children with completion of their daily reading, maths and English homework - we're coming on leaps and bounds with this.

Mrs Hussain and the Year 5 Team

### Year 6

Year 6 children have continued their great start. In English, children will be learning to write effective conquering fear stories. To kickstart the unit, some very brave Year 6 children faced their fears by plunging their hands into mystery boxes in a special assembly. In addition, we've begun our new maths topics: four operations. Children have been honing and showing off their addition, subtraction, multiplication and division skills. Lastly, at William Austin we offer a range of clubs - before school, after school and during lunchtime. Please discuss these enriching opportunities with your child and encourage them to attend.

Mr Gilligan and the Year 6 team.

# William Austin P.E.

Please may I take this opportunity to remind parents and carers that the kit should consist of:

- Plain white or a William Austin logo - t-shirt.
- Plain black or a William Austin logo sweatshirt.
- Plain black bottoms (shorts or tracksuit trousers).
- Trainers or plimsolls.

Please also ensure that your child does not wear jewellery on the day of their P.E lessons.

Thank you for your co-operation,

Mr Osborne / Mr Britten.

## Cross country

A huge well done to the athletes who participated in the event this week. All of the children were a credit to the school and completed a mile. A fantastic achievement!
