

Celebration Crafts with Maths

This free* short 5 week course will help you to develop both your creative and maths skills, as well as saving a few pennies too! You will have the opportunity to:

- make a variety of things suitable for a celebration, such as pop up cards, gift bags, printed wrapping paper or bunting
- enjoy fun and creative activities using different art and craft materials
- recognise the importance of maths skills for carrying out craft activities
- identify ways to make savings when planning a celebration

Come and find out more about the course, meet the teacher and enrol on Monday 12 June at 2pm at the Family Centre.

Course starts: Monday 19 June

Course ends: Monday 17 July

Course times: 1pm to 3pm
