Dear Families

Welcome to this edition of our Newsletter - the last before we break up for the Easter holidays.

We had fun celebrating our Crazy Colour non-uniform day today raising money for the Luton Food Bank. I will be able to update you with the total raised after the holiday. Thank you to all who joined in with this day and supported this good cause.

Pupils who attend the Rocksteady music lessons gave a concert to Y3 and Y5 on Tuesday afternoon which was amazing. Lightning Stars performed 'Shotgun' by George Ezra, Rocksteady Hunters performed a school favourite 'The Eye of the Tiger' and The Lightning performed 'Thunder'. Well done to all the band members - they rocked the hall!!!

We finish school today for the Easter holidays. Please look out for the 3D project your child can have a go at completing over the holiday - I know that often it's an activity that you all get involved with, which is lovely. They will be displayed in the hall on Monday 15th April, with parents being able to view from 9:00-9:15.

We say goodbye today to Ms Haines and Mrs Zerva who are leaving to take up positions in different schools. Ms Haines has worked at William Austin for 12 years and Mrs Zerva for 14 years. Thank you to you both for all your hard work and dedication. We all wish you luck in your new roles.

We also say goodbye to Mrs Slater who starts her maternity leave after the holiday. We hope Mrs Slater gets lots of rest before her baby is born.

School begins again on Monday 15th April, when our summer uniform can be worn. This is a blue William Austin logo polo shirt, grey trousers/skirt/tailed shorts, for both boys and girls, or if you prefer, a blue gingham summer dress for girls.

It's a double celebration over the holiday - both Easter and Eid. I would like to wish all those families celebrating, either a very Happy Easter or Eid Mubarak. I hope you have a lovely time celebrating with your family and friends.

Enjoy the holiday, stay safe and we look forward to welcoming you all back to school on Monday 15th April.

Take care,
Mrs Adams

Upcoming Events:

- 29.3.2024- Easter holiday
- 12.4.2024- Training Day
- 15.4.2024- Children return to school
- 17.4.2024- Eid Assemblies- Whole school

Take a look at this week's

Wow Work!

Asia -Musa

Neptune-Ibraheem

Hepworth— Inayah

Jemison—Sajjal

Miss Bridgland—Computing

We've had a fantastic year in computing so far, thanks the arrival of our brand new Micro:bits, courtesy of the BBC. These are tiny pocket-sized computers, fitted with LEDs and an assortment of sensors. The year 3s have begun getting to grips with these fantastic devices as part of their programming unit, and other year groups will get to try them out in the summer term. Back in February, Safer Internet Day was a huge success, with children across the school enjoying exploring 'influence', positive and negative, online, and many great discussions were had.

Year 3

It has been another busy week in Year 3. In English we have been looking at how to write a play script. The children have used James and the Giant Peach as a basis for their writing and have really enjoyed acting out the story. In Maths, we have been looking at mass and how we can measure this in grams and kilograms. In Science, the children have explored magnetic fields and whether different materials are magnetic. They are now looking forward to using all this knowledge to design and make a magnetic game. We hope you all have a restful holiday.

Miss Thingsaker and the Year 3 team

Year 4

Year 4 have been really enthusiastic and engaged with the learning this term. In English, they are looking at discursive texts. In Maths, children are learning about decimals. I'd like to take this opportunity to thank parents for their continued support. Please encourage your child to read daily over the Easter break as reading is very important to us. Also, please encourage children to complete all homework including their 3D holiday project. Have a restful break everyone and we will see you all back on Monday 15th April.

Mrs Chowdhury and the Year 4 team

Year 5

Year 5 have worked extremely hard this half term and we had a super sweet ending with our cookie sale! Thank you for buying our cookies, do try the recipe at home. Next half term, we'll be working on explanation texts in English, statistics in maths and changes of materials in science. We're also travelling back in time to the Shang Dynasty and will be enjoying some Chinese music in the first few weeks back. Thank you for your continued support. We wish you a restful break.

Mrs Hussain and the Year 5 Team

Year 6

Year 6 have enjoyed a fun and productive half term. In English, children have enjoyed writing letters to complain about the space hotels they designed; they have been careful to select formal language and set out their letters accurately. In maths, we have been focussing on geometry with children learning how to calculate missing angles in triangles and quadrilaterals. We have learned about the ancient practice of mummification in history and have been writing clear instructions for the process. We encourage children to continue reading and revising over the Easter holidays using the packs teachers have provided in preparation for the upcoming SATs exams. We hope you enjoy a restful holiday and Eid Mubarak to those who celebrate.

Mr Gilligan and the Year 6 Team
