

Name..... Class

28th April 2024

Dear Family

In order to help Year 5 children with their learning about the solar system in science, we have arranged for a mobile planetarium to visit school on Thursday 13th June. Each class will go into the Wonder Dome for an interactive workshop to learn more about the planets in our solar system, the size of the universe, space travel, earth, the sun and moon.

In order for this workshop to take place we would appreciate a contribution from parents of £4 per child.

For children in receipt of free school meals, the cost of this visit will be met from Pupil Premium. The Wonder Dome workshop cannot go ahead if sufficient contributions are not received.

Please pay this amount by Friday 7th June.

Payment should be made on line at SCOPAY.

Yours sincerely

Mrs J Adams
Headteacher
