Name Class

14th June 2024

Dear Family

In geography this term, children in Year 5 are studying their local area and will be going on a walk to Bradgers Hill behind Bushmead Community Centre during the morning of the following days:

Monday 24th June - Saturn, Jupiter and Venus

Thursday 27th June - Mars and Neptune

There will be no cost for this trip as children will be walking from school to the community centre and then going into the fields to carry out data collection activities. Toilets will be available at the community centre for the children to use.

As we will not be back in school until approximately 12:30 pm children will need to bring a packed lunch and drink for that day to eat when they get back to school. Children who receive free school meals will have their lunch provided by the school.

Please can you ensure children are wearing their PE kits on their allocated day with sensible trainers. A light waterproof jacket would be advisable to bring in case it turns cold-please check the weather report. If the weather is hot, please supply a hat for the sun and some sun-cream.

As you have previous given permission for local walks, this letter is for information only.

Yours sincerely

Mrs J Adams
Headteacher
